

Henry & Holly: Good morning, Principal, teachers and fellow schoolmates, We are from form 5 BAFS class.

Holly: I am Holly Henry: And I am Henry

Henry: Today, we would like to talk about an exciting event happening in Hong Kong called "Night Vibes Hong Kong". One of the main highlights of Night Vibes Hong Kong is the "Waterfront Carnival". The Waterfront Carnival is the vibrant night markets popping up at the Wan Chai harbourfront area. Blending elements of Hong Kong culture, art, music and technology,

Holly: the event comprises classic Hong Kong street food, music and dance performances, drone shows, film screenings, special workshops and art exhibitions, as well as stalls selling different products, snacks and drinks.

Henry: The first Night Vibes Hong Kong event has already taken place, and it has been a great success. Within six days, approximately 100,000 people visited the three seaside night markets. This shows that Night Vibes Hong Kong has already made a positive impact.

Holly: That's amazing! And the best part is, Night Vibes Hong Kong will continue to host events throughout the year, covering various festivals such as Mid-Autumn Festival, Halloween, Christmas, New Year's Eve, and more.

Henry: It's fantastic to see Hong Kong embracing its status as an international metropolis and tourism hotspot. By participating in Night Vibes Hong Kong, All of us can experience the city's vibrant nightlife and contribute to the growth of Hong Kong's tourism industry.

Holly: Absolutely! We encourage everyone to actively participate in Night Vibes Hong Kong and enjoy the energy and charm of Hong Kong at night.

Henry: So, let's make the most of this opportunity and join in the festivities. Let's explore the Waterfront Carnival, indulge in delicious street food, and immerse ourselves in the vibrant atmosphere of Night Vibes Hong Kong.

Holly: Thank you all for listening, and let's make this a memorable experience for everyone. Have a great day!
